

# BRACE SPLICING KIT

Set up your bracing quickly and easily. Wanna know how? Our splicing needles have handy markings engraved on them so that you can measure without any additional tools while you're in a tree. Pro equipment for pros in the field—the only way to go.

## BRACING ACCESSORY

## DESCRIPTION

Kit comprising a splicing needle and three fids for splicing the MOOREX brace. The tools can be stored in the holster for a better organisation while bracing a tree.

## TECHNICAL INFORMATION

Needle

1 aluminium splicing needle, 30 cm (1 ft), aluminium

Fids

3 cone-shaped aluminium fids (10 mm, 14 mm and 20 mm diameter), aluminium
