

# CUBE BAGS

A colourful trio to sort out your gear.

## STORING ACCESSORY

## DESCRIPTION

These cubic cases with zips are great to organise the content of a gear bag: the L size can hold larger gear, like the 5 m JOKER LIGHT base anchor, the M size is perfect for gloves, prussiks or webbing loops, and the S size will protect small pulleys, headlamps, carabiners... or a snack!

## TECHNICAL INFORMATION

Tissue	ripstop fabric
Closing	strong zips
Dimensions and colours	size S is white, with 10 cm sides (0.32 ft)
Dimensions and colours	size M is black, with 12 cm sides (0.39 ft)
