

WOOD RINGS

Cut for pros who live for wood, rope and the field, the WOOD RINGS t-shirt goes all the way in. It clearly states what you are: an arborist, an enthusiast, a professional. On the front, the WORK HARD. CLIMB HARD. PLAY HARD slogan shows your determination. On the back, the large logo combines the FTC TREE identity to stylised wood rings, showing your love of trees and of arboriculture. The powerful visual symbolises the strength, longevity and passion of wood – they are in your blood.

T-SHIRT

DESCRIPTION

The black and white t-shirt speaks perfectly for FTC TREE's tree DNA, simple and effective. It has just as much impacts under a harness, in a tree, than out in town. Whether you are climbing, pruning or back on the ground after a long day, the WOOD RINGS t-shirt will show your passion and your requirements.
