

DECLARATION OF CONFORMITY - MACHINERY DIRECTIVE

Manufacturer: FTC
ZI Les Plaines
1355 Chemin de Malombre
26780 Malataverne
France

Declares, under its sole responsibility, that the following product:

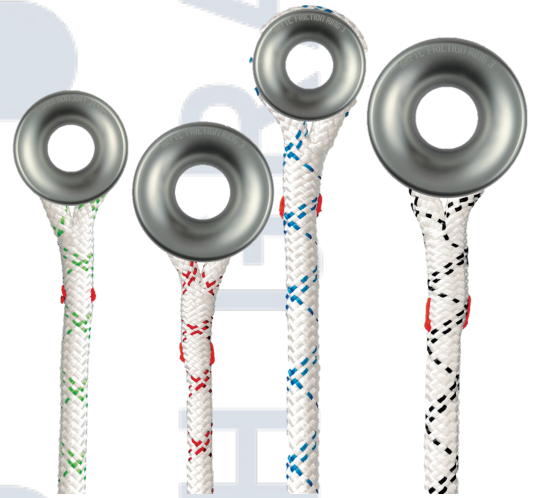

Name:
O’RING 2 SLING

Use/description:
Textile ropes with a low friction ring for tree care work, tree removal or branch retention. Used as a main anchor or as a redirection and angle rope.

Reference:
FTC/OR2-3
FTC/OR2-4
FTC/OR2-5
FTC/OR2-6

Construction/Materials:
Ring: Low friction aluminium
Sling: 100% polyester
16 strands, double braid
Around 45% sheath, 55% core (depends on the diameter)

Marking/identification:
Identification and individual engraving on the front of the ring
Identification label on one end of the product
Protected by a rubber sheath and a clear heat shrink tubing

Complies with the relevant provisions of the 2010 Machinery Safety, and thus with the Machinery Directive 2006/42/EC in the current version.
